Dear Lori Taylor,

This letter is in regards to the 7/31/14 compliance check of your Level A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.
1st aid kit for the car

☐ 110.5(1)c First-Aid supplies are available and easily accessible in the home, outdoor play area, any vehicle used to transport children, and on field trips.
Need for vehicle

☐ 110.5(1)c The first-aid kit is sufficient to address first aid related to minor injury or trauma and stored in an area not accessible to children.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations by 9/19/14.**

☐ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
